

Chapter meeting March 19, 2011

Business:

Introduction of two new members.

Treasury report by Steve

Calendars are still available. Sale price 6.00

Question: How are the finances doing long term? Steve will report next meeting.

Next meeting Idaho Falls AeroMark. Bobby Picker of the CAP will be the speaker.

A Young Eagles Event is scheduled for April 18th at Idaho School for the deaf and Blind. We need all of the help, pilots and ground crew that we can get.

March 20th 21st Aviation expo at AeroMark. More information coming as it becomes available.

June 25th is the Pocatello airport appreciation day. We will be hosting a Young Eagles Event.

July Meeting will be an ice cream social at the Blackfoot airport.

August 19th and 20th is camping at the island park airport.

September: poker run

Dale Cresap talked about the Young Eagles Events he is working on.

Trivia question: How much weight does the atmosphere put on one square statute mile?

Answer: 29 million tons.

Dale introduced the speaker Frank Ward.

Frank gave a very interesting and informative account of what it was like to be a pilot of a KC 135 tanker.
